

## HORTICULTURE DIVISION GENERAL RULES

1. Entries may be made from 2 PM Thursday, March 11, through 9 AM Friday, March 12. All exhibitors must be off the floor by 9 AM. **This rule will be strictly enforced.**
2. Entry cards for exhibits will be available at the show. Only the top half of the entry card needs to be filled in.
3. Entries, awards, and ribbons may not be removed until 3 PM Sunday, March 14.

## RULES FOR HORTICULTURAL EXHIBITS

### ENTRIES

4. All classes are open to anyone who grows daffodils except where specified otherwise.
5. An exhibitor may make as many entries as desired in any class provided each entry is a different cultivar or species or an entirely different collection of cultivars and/or species.
6. All blooms in the Horticultural Division except the ADS Challenge classes must have been grown in the open by the exhibitor. Miniatures and daffodils grown and shown in their containers may be grown in protected areas.
7. Wedging material and containers for cut flower exhibits will be furnished by the show committee. Except for daffodils grown and shown in their containers, no daffodil foliage is permitted.
8. All collections of five or more stems must be exhibited with each cultivar or species in a separate container.

### LABELING

9. Each cultivar or species must be correctly labeled with its name (or number) and division. The originator's name must appear on the label in American bred classes except seedlings shown by the originator. The originator is the person who first flowered the bulb regardless of who made the cross and/or planted the seed.
10. Exhibits that are not named or are incorrectly named will not be judged. Correct classification and labeling shall be the responsibility of the exhibitor.
11. No label may be changed, specimen added, removed, altered, or substituted after judging has begun or after an award has been placed.

### INTERMEDIATES, MINIATURES, AND SEEDLINGS

12. An intermediate daffodil is a standard daffodil in divisions 1, 2, 3, 4, or 11 having a single floret whose diameter is typically greater than 50 mm through 80 mm. Intermediate daffodils may be entered in classes for standard daffodils as well as classes reserved for intermediate daffodils.
13. Miniature daffodils may be shown only in classes for miniatures. A miniature daffodil is any cultivar on the current ADS Approved List of Miniatures. Also, any named, numbered, or species daffodil which appears graceful, with all its parts proportionately small, may be exhibited in Miniatures classes and is eligible for all ADS awards, except that only numbered seedlings shown by the originator are eligible for the ADS Miniature Rose Ribbon. The judges may decline to judge any exhibit containing an unapproved miniature that they consider too large for these classes

- Blooms of seedlings may be exhibited in all classes for named cultivars. ALL SEEDLINGS MUST BE IDENTIFIED BY A NUMBER DESIGNATION ASSIGNED BY THE ORIGINATOR. If the exhibitor is not the originator, the name of the originator must be included as part of the identification.

**AWARDS**

- Each stem in an exhibit of cut flowers receiving an ADS Award must score 90 or more on the appropriate ADS Scale of Points.
- Only one first, one second, and one third award may be given in each class. Honorable mention awards may also be given if merited but only if first, second, and third have been awarded. First, second, third, and honorable mention awards may be withheld by the judges if in their opinion the exhibit is not worthy. If a blue ribbon (first place) has been awarded in a class eligible for an ADS ribbon, the ADS Award may not be withheld.
- The decision of the judges is final. If an error is discovered in an exhibit after completion of judging, any award placed thereon (ADS, Special, or Ribbon) shall be forfeited by the exhibitor. If an error is discovered before the judging is completed, the class must be rejudged.

**MISCELLANEOUS**

- The Show Committee reserves the right to subdivide classes by cultivar or color code when there are three or more worthy exhibits of the same cultivar or color code and if a sufficient number of worthy exhibits is left in the class. Species may be subdivided by their botanical sections.
- The Royal Horticultural Society System of Classification will be used. The labeling authority is the current version of *DaffSeek* (Daffseek.org) or *Daffodils to Show and Grow* as amended each year in *The Daffodil Journal* December issue.
- In the class descriptions, the words “pink cup,” etc. define classes where that color is solid, 2W-P, or present in two adjacent zones, 2W-GPP. The words “pink in cup,” etc. are used for classes that include both solid and rimmed cups of the same color. “Colored” is any color but white. A reverse bicolor has a predominantly yellow perianth and a predominantly white cup where “predominantly” means at least two adjacent zones must be coded the designated color.
- Blooms in the ADS Challenge section will not be considered for awards other than for their respective class and for the ADS W. A. Bender Ribbon.

<b>ADS Point Scale for Judging Cut Specimens</b>			
	<b>Cultivar</b>	<b>Species</b>	<b>Historic</b>
Condition	20	50	40

## SECTIONS A & B - STANDARD DAFFODILS

---

**SECTION A** – This is for a single stem of a standard cultivar or species daffodil.

**SECTION B** – This is for three stems of a standard cultivar or species daffodil.

### Division 1 – Trumpet Daffodil Cultivars

	class	class
Yellow perianth, yellow trumpet	A101	B101
Colored perianth, orange or red trumpet	A102	B102
Yellow perianth, pink in trumpet	A103	} B103
Reverse bicolor	A104	
White perianth, yellow or orange trumpet	A105	B104
White perianth, pink in trumpet	A106	B105
White perianth, white trumpet	A107	B106
Any other color combination	A108	B107

### Division 2 – Large-Cupped Daffodil Cultivars

Yellow perianth, yellow cup	A201	B201
Colored perianth, orange or red cup	A202	B202
Yellow perianth, orange or red rimmed cup	A203	B203
Yellow perianth, pink in cup	A204	B204
Reverse bicolor	A205	B205
White perianth, predominantly yellow cup	A206	} B206
White perianth, yellow rimmed cup	A207	
White perianth, predominantly orange or red cup	A208	} B207
White perianth, orange or red rimmed cup	A209	
White perianth, predominantly pink cup	A210	} B208
White perianth, pink rimmed cup	A211	
White perianth, white or GWW cup	A212	B209
Any other color combination	A213	B210

<b>Division 3 – Small-Cupped Daffodil Cultivars</b>		class	class
Yellow perianth, yellow cup	A301	}	B301
Colored perianth, cup orange or red	A302		
Colored perianth, cup rimmed orange or red	A303		B302
Reverse bicolor or colored perianth with pink in cup	A304		B303
White perianth, cup yellow, orange, or red	A305		B304
White perianth, cup rimmed yellow, orange, or red	A306		B305
White perianth, pink in cup	A307	}	B306
White perianth, white or GWW cup	A308		
Any other color combination	A309		B307

#### **Division 4 – Double Daffodil Cultivars**

##### **One Bloom Per Stem**

Yellow perianth, yellow petaloids	A401	}	B401
Yellow perianth, orange or red petaloids	A402		
Reverse bicolor or colored perianth with pink in petaloids	A403		B402
White perianth, white petaloids	A404		B403
White perianth, colored petaloids	A405		B404
Any other color combination	A406		B405

##### **More Than One Bloom Per Stem**

Any cultivar	A407		B406
--------------	------	--	------

#### **Division 5 – Triandrus Daffodil Cultivars**

Yellow perianth	A501	}	B501
White perianth	A502		

#### **Division 6 – Cyclamineus Daffodil Cultivars**

Yellow perianth, yellow cup	A601		B601
Yellow perianth, cup predominantly orange or red	A602		B602
Yellow perianth, pink in cup	A603	}	B603
Reverse bicolor	A604		
White perianth, yellow cup	A605	}	B604
White perianth, orange or red cup	A606		
White perianth, pink in cup	A607	}	B605
White perianth, white cup	A608		
Any other color combination	A609		B606

<b>Division 7 – Jonquilla or Apodanthus Daffodil Cultivars</b>	class	class
Yellow perianth, yellow cup	A701	B701
Colored perianth, orange or red cup	A702	B702
Reverse bicolor or colored perianth with pink in cup	A703	B703
White perianth, cup yellow, orange, or red	A704	B704
White perianth, white cup or pink in cup	A705	B705
Any other color combination	A706	B706

**Division 8 – Tazetta Daffodil Cultivars**

Yellow perianth, yellow cup	A801	}	B801
Yellow perianth, orange or red in cup	A802		
White perianth, yellow cup	A803		B802
White perianth, orange or red in cup	A804		B803
White perianth, white cup or pink in cup	A805		B804
Any other color combination	A806		B805

**Division 9 – Poeticus Daffodil Cultivars**

Any cultivar	A901	B901
--------------	------	------

**Division 10 – Bulbocodium Daffodil Cultivars**

Any cultivar	A1001	B1001
--------------	-------	-------

**Division 11 – Split-Corona Daffodil Cultivars**

**One Bloom Per Stem**

11a Colored perianth, cup yellow, orange, or red	A1101	B1101	
11a Reverse bicolor or colored perianth with pink in cup	A1102	B1102	
11a White perianth, cup yellow, orange, or red	A1103	B1103	
11a White perianth pink in cup	A1104	}	B1104
11a White perianth, white cup	A1105		
11a Any other color combination	A1106	B1105	
11b Any cultivar	A1107	B1106	

**More Than One Bloom Per Stem**

Colored perianth	A1108	}	B1107
White perianth	A1109		

<b>Division 12 – Other Daffodil Cultivars</b>		class	class

<b>More Than One Bloom Per Stem</b>			
Any cultivar	A1203		B1202

<b>Division 13 – Daffodils Distinguished Solely by Botanical Name</b>		
Any species or species hybrid	A1301	B1301

---

### SECTION C – SMALL GROWERS CLASSES

---

This section is open to exhibitors growing 50 or fewer cultivars and/or species. Entries are single stems of standard-size daffodils.

	class
Division 1 – Trumpet Daffodil Cultivars	C1
Division 2 – Large-Cupped Daffodil Cultivars	C2
Division 3 – Small-Cupped Daffodil Cultivars	C3
Division 4 – Double Daffodil Cultivars	C4
Division 5 – Triandrus Daffodil Cultivars	C5
Division 6 – Cyclamineus Daffodil Cultivars	C6
Division 7 – Jonquilla or Apodanthus Daffodil Cultivars	C7
Division 8 – Tazetta Daffodil Cultivars	C8
Division 9 – Poeticus Daffodil Cultivars	C9
Division 10 – Bulbocodium Daffodil Cultivars	C10
Division 11 – Split-Corona Daffodil Cultivars	C11
Division 12 – Other Daffodil Cultivars	C12
Division 13 – Daffodils Distinguished Solely by Botanical Name	C13

---

### SECTIONS D & E – INTERMEDIATE DAFFODILS

---

An intermediate has a single floret with perianth greater than 50 mm and up to 80 mm, in division 1, 2, 3, 4, or 11.

**SECTION D** – This is for a single stem of a standard cultivar or species daffodil.

**SECTION E** – This is for three stems of a standard cultivar or species daffodil.

	class	class
Division 1, Colored perianth	D101	}
Division 1, White perianth	D102	
Division 2, Colored perianth	D201	}
Division 2, White perianth	D202	
Division 3, Colored perianth	D301	}
Division 3, White perianth	D302

Five different intermediate cultivars (Place with standard collections.)		F20

---

## SECTION F – STANDARD DAFFODIL COLLECTIONS

---

These classes call for one stem of each cultivar/species unless specified otherwise. The name of the originator must be given for each stem in classes F27, F28, F30, F31, and F32. Only ADS members may enter classes F27 through F33 and F36 through F38.

	class
Five different division 1 cultivars.	F01
Five different division 2 cultivars.	F02
Five different division 3 cultivars.	F03
Five different division 4 cultivars.	F04
Five different division 5 cultivars.	F05
Five different division 6 cultivars.	F06
Five different division 7 cultivars.	F07
Five different division 8 cultivars.	F08
Five different division 9 cultivars.	F09
Five different division 10 cultivars.	F10
Five different division 11 cultivars.	F11
Five different division 12 cultivars.	F12
Five different division 13 species.	F13
Five different intermediate cultivars.	F20
Five different pink cupped and/or pink in cup cultivars.	F21
Five different white cultivars.	F22
Five different red and/or orange cupped cultivars.	F23
Five different yellow cultivars.	F24
ADS Maroon Ribbon – Five different reverse bicolor cultivars.	F25
ADS Red-White-Blue Ribbon – Five different American-bred cultivars. For correct labeling procedures, see Rule No. 9.	F26
Australian Trophy – Five different cultivars bred in Australia.	F27
Carncairn Trophy – Five different cultivars bred in Ireland (includes both Northern Ireland and the Republic of Ireland).	F28
Dutch Trophy – Five registered, standard daffodils of any origin from five different decades beginning with a zero and ending with a nine (e.g. 1960-1969). Year of registration must be given for each stem.	F29
English Award – Five different cultivars bred in England. The winner will keep this award.	F30

New Zealand Awards – Five different cultivars bred in New Zealand. The winner will keep these awards.	F31
Northern Ireland Trophy – Five different cultivars bred in Northern Ireland.	F32
Marie Bozievich Award – Twelve different cultivars and/or species from not less than 4 divisions. First time winners may receive the Gold Bozievich Medal. Former winners receive the Bozievich Ribbon.	F33
Elise Havens Award – Twelve different cultivars from at least three divisions from RHS divisions 5 through 10. First time winners may receive the Gold Havens Medal. Former winners receive the Havens Ribbon.	F34
Tom D. Throckmorton Award – Fifteen cultivars and/or species from fifteen different RHS classifications. COLOR CODES REQUIRED. First time winners may receive the Silver Throckmorton Medal. Former winners receive the Throckmorton Ribbon.	F35
Carey E. Quinn Award – Twenty-four cultivars and/or species from at least five RHS divisions. First time winners may receive the Gold Quinn Medal. Former winners receive the Quinn Ribbon.	F36
Little England Award - Larry P. Mains Trophy – Three stems each of nine different cultivars from Division 3.	F37
Harry I. Tuggle, Jr. Trophy – Three stems each of twelve different cultivars and/or species from at least three divisions. First time winners may receive the Gold Tuggle Medal. Former winners receive the Tuggle Ribbon.	F38

---

## SECTION H – HISTORIC DAFFODILS

---

This section is open to all cultivars, i.e., not species, introduced or in gardens before 1940. All cultivars shall be labeled with name, division number, and year of registration (or introduction). The earliest date shown in the *International Daffodil Register and Classified List 1998* and its supplements will be the authority. The Classification Committee may subdivide each class by division, regardless of the number or quality of exhibits in each subdivision prior to judging. Historic cultivars formerly on the Approved List of Miniature Cultivars, but now removed as too large, may be exhibited as miniatures in this section. No bloom in this section shall be eligible for any ADS award other than the ADS ribbons or medal for Pre-1940 Cultivars.

class

One stem, standard daffodil, before 1850	H01
One stem, standard daffodil, 1850-1879	H02
One stem, standard daffodil, 1880-1899	H03
One stem, standard daffodil, 1900-1909	H04
One stem, standard daffodil, 1910-1919	H05
One stem, standard daffodil, 1920-1929	H06
One stem, standard daffodil, 1930-1939	H07
One stem, miniature daffodil	H08
Three stems of one standard daffodil cultivar	H09
Three stems of one miniature daffodil cultivar	H10
Five different standard cultivars, one stem of each	H11

**SECTION O – OTHER MINIATURES EXHIBITS**

---

	class
Five cultivars or seedlings, one stem each (no species). This class is eligible for the ADS Lavender Ribbon.	O01
Five cultivars, seedlings, or species, one stem each. This class is eligible for the ADS Lavender Ribbon.	O02
Five stems, each one from a different division. This class is eligible for the ADS Lavender Ribbon	O03
ADS Miniature Red-White-Blue Ribbon – Five cultivars or seedlings of American breeding, one stem each. For correct labeling procedure, see Rule No. 9.	O04
ADS Aqua Ribbon – Nine cultivars and/or species, one stem each from at least three different RHS divisions.	O05
Roberta C. Watrous Award – Twelve cultivars and/or species of miniature daffodils from at least three RHS divisions. First time winners may receive the Gold Watrous Medal. Former winners receive the Watrous Ribbon. This class is open only to ADS members.	O06
ADS Miniature Bronze Ribbon – Five miniature cultivars and/or species, three stems of each, from at least three RHS divisions.	O07
ADS Premier Miniature Collection Ribbon – Twenty-four cultivars and/or species, one stem each, from at least five RHS divisions. This class is open only to ADS members.	O08

**Hybridizers' Classes:** Exhibitors must be ADS members. All flowers must be considered appropriate for the ADS Approved List of Miniature Daffodils for an award to be given. Identification of all blooms in the next three classes, both named and numbered, must be concealed until after judging. To facilitate the selection of candidates for the Miniature Rose Ribbon, seedlings are to be marked by a check on the card facing the judges. All flowers must be hybridized and originated by the exhibitor. Flowers may be from any division.

ADS 3 Miniatures by Hybridizer Ribbon – Three cultivars, one stem each.	O21
ADS 6 Miniatures by Hybridizer Ribbon – Six cultivars, one stem each.	O22
ADS 12 Miniatures by Hybridizer Ribbon – Twelve cultivars, one stem each.	O23

---

**SECTION Q – CONTAINER-GROWN DAFFODILS**

---

Blooms are to be grown in and exhibited in a container or pot. All bulbs in any one container shall be of the same cultivar or species. Container-grown daffodils may be grown in protected areas. No bloom or exhibit in this section shall be eligible for any ADS award other than the ADS awards for container-grown daffodils. Rule #18 is extended to permit subdividing classes by daffodil division.

Standard daffodils – named cultivars or seedlings (no species).	Q1
Miniature daffodils – named cultivars or seedlings (no species).	Q2
Species and species hybrid daffodils. All sizes of species and species hybrids are eligible for this class.	Q3

---

**SECTION R – AMERICAN DAFFODIL SOCIETY CHALLENGE  
AWARDS**

---

Blooms may be grown in any manner deemed appropriate by the exhibitor. The exhibitor must be the hybridizer of each cultivar but need not be the grower. The hybridizer is the person who makes or supervises the making of the cross and collects or supervises the collection of the daffodil seed from which a new cultivar is produced. If a hybridizer is unable to attend the National Show but wishes to enter a Challenge Class, another person may, with the hybridizer's permission, stage the entry on the hybridizer's behalf and under the hybridizer's name. Identification of the blooms and the hybridizer must be concealed until after judging. The cultivars included may be either standards or miniatures. The best bloom in this section will receive the W.A.Bender Ribbon. Each stem must score 90 points or more and is not eligible for any other ADS awards. Open to any exhibitor.

	class
ADS Challenge Cup – Twelve different cultivars or seedlings, one stem each, exhibited by the hybridizer.	R1
Murray Evans Trophy – Six different cultivars or seedlings, one stem each, exhibited by the hybridizer.	R2
Goethe Link Award – Three different cultivars or seedlings, one stem each, exhibited by the hybridizer.	R3

---

**SECTION S – AMERICAN DAFFODIL SOCIETY  
NATIONAL SEEDLING AWARDS**

---

John and Betty Larus Trophy – Set of three stems of one miniature daffodil seedling exhibited by the originator, stating designated number, classification, and parentage (if known). The originator of a daffodil seedling is the person who first flowers the bulb regardless of who made the cross and/or planted the seed. There is a limit of three entries per exhibitor in this class. This class is open only to ADS members.	S1
Grant and Amy Mitsch Trophy – Set of three stems of one standard daffodil seedling exhibited by the originator, stating designated number, classification, and parentage (if known). The originator of a daffodil seedling is the person who first flowers the bulb regardless of who made the cross and/or planted the seed. There is a limit of three entries per exhibitor in this class. This class is open only to ADS members.	S2

---

## SECTION Y – YOUTH DIVISION

---

Exhibitors 20 years of age or younger. Youth exhibitors are not restricted to this section; they may elect to enter other sections for which they qualify. Rule 18 is extended to permit subdividing Classes Y15, Y17, and Y18 by division.

	class
One standard stem, division 1, yellow perianth.	Y01
One standard stem, division 1, white perianth.	Y02
One standard stem, division 2, yellow perianth.	Y03
One standard stem, division 2, white perianth.	Y04
One standard stem, division 3.	Y05
One standard stem, division 4.	Y06
One standard stem, division 5, 6, 7, or 9.	Y07
One standard stem, division 8, yellow perianth.	Y08
One standard stem, division 8, white perianth.	Y09
One standard stem, division 10, 11, 12, or 13.	Y10
Three stems of one standard daffodil, division 1.	Y11
Three stems of one standard daffodil, division 2.	Y12
Three stems of one standard daffodil, division 4.	Y13
Three stems of one standard daffodil, division 8.	Y14
Three stems of one standard daffodil, any other division.	Y15
Collection of five different standard daffodils.	Y16
One miniature stem, any division.	Y17
Three stems of one miniature daffodil, any division.	Y18
Collection of five different miniature daffodils.	Y19
